President's Message Amy Brown, CGMP

It is time again for our Annual Holiday charity event. The purpose of this event is to give back to our community. The chapter is adopting a local family through the Christmas Connection. Christmas Connection tries to fulfill the wishes and some of the basic needs of hundreds of needy families in Northwest Florida each holiday season. They want to deliver toys for their children, food for their table and a little joy to their homes. For more information about Christmas Connection, please visit their website at <http://www.thechristmasconnection.org/>

Please bring your items to the event for collection. Information about the family was distributed at the November meeting and via e-mail, if you are still in need of the information regarding the family, you can e-mail me and I will send it to you. This year's holiday charity event will be sponsored by the Holiday Inn & Suites Clearwater Beach. Holiday Inn & Suites Harbourside. Thanks to Bailey Shields for her support of our chapter and this charitable event. Please

LEADERSHIP AND YOUR SGMP COMMITMENT

PRESENTED BY CHRIS SCHUH, OUNCE OF PREVENTION FUND OF FLORIDA, INC.

by Carolyn D. Hinson, CGMP

CALLING ALL SGMP MEMBERS!!! If you missed this program you really missed a “TREAT”. It was all about **COMMITMENT**—providing service to SGMP on the local and national levels, to the community and to your fellow members.

Chris Schuh was dynamic and made some very convincing points because when it was all over every attendee had committed to at least one committee. She was so persuasive in her presentation that I have committed to three different committees.

Each committee chair provided a description of the expectations for each signee and a timeline. They were very transparent in providing the role that each committee will play during the year. The vision and mission of each committee was clearly stated by each representative at the designated tables. They provided a brief overview and handed out materials at each table about the committee. There is no excuse for not becoming an active member of one of the committees, with this kind of dedication and **commitment** shown by the current members. I will have to give them high marks on the way they attacked and executed the challenge of recruiting new members for the different committees. In my opinion, it was very successful and innovative with proven results.

We were all sold on their programs by the end of the presentation, although they still provided small incentives. Janet Roach, Special Events committee was passing out “Cold Hard Cash”, Joice Ventry with the Marketing committee was giving out “Miniature bottles of Wine”, Retha Nero with the Membership committee gave out “Chocolate Kisses” and Jennifer Anderson had a whole table full of incentives to get folks to sign up for the Program committee.

I think that all the committee chairs/members did a great job in providing information, incentives and sharing during this program. It gave everyone a chance to meet and greet prospective committee members while encouraging them to sign up. Also, it cleared up any misconceptions and calmed fears about joining a committee. Each new member now knows what they are expected to provide for the betterment of the entire organization while working with the committees.

We should also “Thank” our sponsors for a lavish buffet of delicious food and drinks. It was the perfect way to get into the “Thanksgiving” Spirit with succulent turkey, mashed potatoes with gravy and cranberry chutney. This is just a small example of what they had to offer your taste buds last evening in the Opal Room at Hotel Duval. Hat’s off to all of our Sponsors!!!

If you missed this meeting there is still time to sign up and make a “**Commitment**” and be a leader in the organization. It only takes a little bit of time and effort to make a “**Huge**” impact. SGMP needs you! We are all small pieces to the puzzle and when we come together “**Great**” things happen all around us. Hope to see you working with one of the committees I signed up for.....we will be glad to have you join us. Come on down and let’s get to work!! **STAY COMMITTED AND CONNECTED TO SGMP.**

Another Scholarship Winner's view of the SGMP Regional Conference

B Lydia Southwell

I really appreciate the opportunity to attend the SGMP Regional Conference "Respect The Past, Embrace the Day, Race to Tomorrow," September 11- 14, 2011. This was my first time attending a SGMP conference and it was a great experience for me.

This allowed me to see how many meeting planners and suppliers are out there daily working together in an effort to build greater partnership and collaboration to better understand each other's needs. The workshops were very interesting; all of the

presentations throughout the conference gave participants tools to help us enhance our programs and services, as well as invaluable strategies that can be used in both our professional and personal lives. Also, Peggy Duncan and Gabrielle Gabrielli's sessions on Managing Email Overload, Tools to Promote Anything, and Creating Effective Online Forms were all very helpful.

Again, thank you for the opportunity to attend.

FL Capital Chapter Holiday Charity by Claire Smith

This year for our holiday charity we have decided to adopt a family from the Christmas Connection through Catholic Social Services in Tallahassee. Aron and Victoria Frauenthal have four children. The father is employed and is the sole wage earner for the household. The family would have to struggle to buy extras at this time of year. One of the children is disabled and has several appointments each month that require the family to make arrangements for gas to transport them to the appointments. The mother and father only ask that we provide a special Christmas for their children. The family is not asking for much, so Claire Smith has included items for the mother and father. The items are detailed in the table below. Please bring your wrapped donation to the December 13th meeting at the Candlewood Suites, 2815 West Lakeshore Drive, Tallahassee, FL.

What They NEED

Aron the father is 28 year old and wears size 38 x 32 pants, and XL shirt Special items—gas cards

Vitoria, the mother is 24, and wears a Size 13 pants and large blouses/shirts. She would also appreciate pots and pans.

Aron Jr. is an 8 year old boy who wears size 6-7 B pants and 8 Boys shirt, Size 7 boxers and Size 7 shoe. His toys have been purchased although he still needs clothes. Michael is disabled and is 5. All of his items have been selected for purchase by SGMP members.

Ryan is 4 and is a boy. His clothing has been selected for purchase although he needs size 4 or 5 toddler underwear and has a size 9 children's shoe. He would like a bicycle with training wheels .

Katherine is a one year old girl and her list of items has been selected for purchase by SGMP members.

Food items totaling \$10.00 are appreciated as we are to provide an uncooked Christmas meal as well
