

Event and Attendee Safety

The October program focused on the timely subject of personal and event attendee safety.

Deputy Dean Crump of the Leon County Sheriff's Office gave the group tips on how to keep themselves safe in today's increasingly dangerous world.

Deputy Crump has 18 years of on the job experience. His Bachelor's Degree in Criminology is from Florida State University and he specializes in interpersonal communications and personal interaction training.

Deputy Crump emphasized the importance being aware of your surroundings and limiting opportunities as the keys to personal and group safety.

Thank you to Deputy Crump and the Leon County Sheriff's Office for this important presentation.

Wanted:

Donations for the November Fundraising Auction! Do you have items around the house that you bought and never used? Or received a gift that just wasn't you? Do you make jewelry, pottery, paint or take fabulous photos? This is an opportunity for you to support the Florida Capital Chapter of SGMP. Donations are needed for the upcoming auction. Suppliers are also welcome to donate overnight stays, gift baskets, meals, or meeting space. Remember you don't need to be a member to donate.

The money raised at the auction and other fundraising events help to provide scholarships to members to attend the national convention and cover other chapter expenses.

To donate, contact Susan Tobin at (941) 769-0655 or susan.tobin@charlottecountyfl.gov

Donations forms must be received no later than Monday, October 30th.

Thank you Betty Ann Lewis and Wyndham Orlando Resort International Drive for sponsoring our October meeting! We appreciate all the members that attended with a special shout out to Amy Brown and Leola Cleveland for manning the registration table.
